# FOR E W O R D

## THE FOREWORD

Webster's big dictionary defines a yearbook as a book published annually, with each issue containing new or additional information. Truly the Frontenac of 1958 has fulfilled this definition, for it has come a long way since that first paper-bound issue.

The theme chosen for our yearbook this year is the word "Friendship." Disraeli once said that friendship is the gift of the gods and the most precious boon to man. We all crave friends in whom we can confide. Prior to now, the majority of our friends have been made in school. Here was the nucleus of our society, and our friends were the electrons revolving around its orbit. We feel that this has been a most important element in our school life.

The Class of 1958 sincerely hopes that this year's "Frontenac" meets your approval, and will bring you enjoyment throughout the years to come.

# DEDICATION

This year, by vote of the class of '58, we are dedicating the *Frontenac* to two separate individuals on our school staff. After careful consideration, we feel that they are both deserving of the honor, and hope that they will accept this small tribute.

MR. FRED GARDNER

## MR. GARDNER

The Class of 1958 is happy to dedicate their yearbook to Mr. Fred Gardner, our Senior Advisor. We appreciate all the advice and guidance that he has given us this past year, and are sincerely thankful for the extra time he has devoted towards our class activities. We realize there were times when we needed discipline, and as we glance back, are glad that there was a hand, wiser than ours, at the helm. We hope that you will prize this book throughout your future years, and may those years be happy ones.

Best Wishes From The Class of 1958

## MR. LOUIS CHAPIN

## MR. CHAPIN

Whom do we call upon when there is a leaky faucet, a broken desk, or a jammed locker? Who answers these calls without the least complaint or grumble, and wears a pleasant smile even though his work is often tedious? This person is none other than "Lewie" Chapin of our maintenance staff.

To many, Mr. Chapin has not only been one that we can rely upon, but also has been a trusting friend. For these reasons, and because we wish to show our gratefulness, the Class of 1958 wishes to dedicate this yearbook to you, Mr. Lewis Chapin.

# BOARD OF EDUCATION

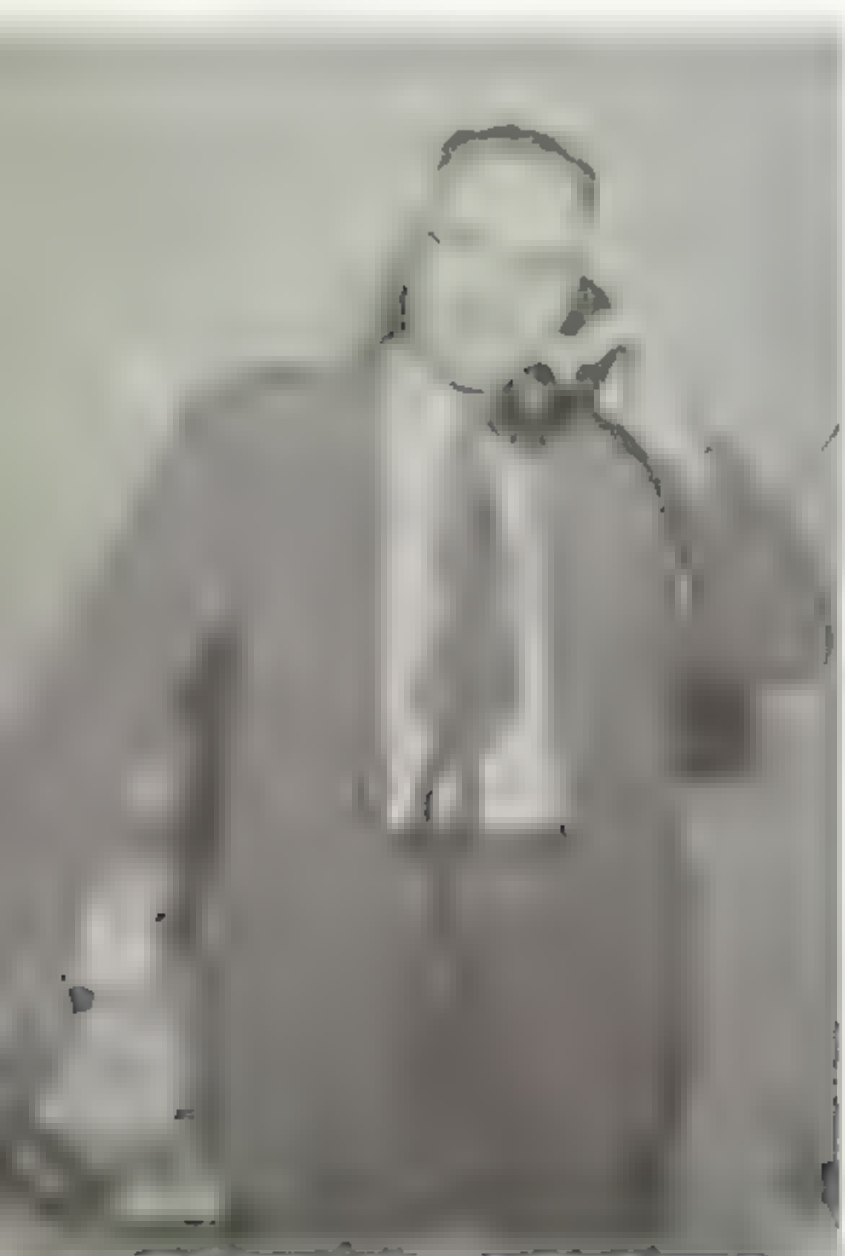

STARTING AT 12.00 CLOCK-WISE: Ralph Webster, Harold Orchard, A. C. Mathews, John Reehr, Jr., Donovan Webb, Paul Newman, Lawrence Gould, Oscar Schlappi, Harvey Smith

The nine members of the Union Springs Central School Board of Education are elected at the annual school meeting on the second Tuesday in July to represent the voters of the district in the business of operating the schools of the district. Terms of office are arranged so that some members are elected each year.

The Board of Education formulates the policies by which the school and its program are administered. They review the applications of the policies at least once each month in their regular business meeting on the third Monday. They study the long range program necessary to keep the schools up to date, the school plant required, the financial resources available, the personnel both teaching and nonteaching presently employed and that which may be needed as the school population increases and the equipment and supplies which are used each year. They talk with patrons of the school, with the educational and nonteaching personnel and with others interested in the operation of the school.

The Board of Education is called upon to spend many hours at their job and is one of the few municipal governing bodies which cannot be reimbursed for time spent and services rendered.

# APPRECIATION TO THE ADMINISTRATION

MR. SMITH

It is my sincere hope that each member of the Class of 1958 has utilized the opportunities of school days at U.S.C.S. to display to others liberal amounts of cheerfulness, generosity, helpfulness, kindness, loyalty, patience, sincerity, tolerance, and unselfishness. In return I hope each has received the reward of respect, understanding and devotion from those with whom he has been most closely associated.

It is my wish that in the years ahead each of you will find these friendships growing stronger. May each year add new friendships from your everwidening circle of associates and acquaintances.

ANDREW J. SMITH

MR. MOON

Please accept my sincere congratulations on the successful completion of your high school course of study. Your class has been one of the better academic classes that I can recall. Most of you have done your job well.

In view of recent events, the launching of Sputnik I and II and the Explorer, the theme for your book, Friendship, is especially apropos. Friendship between individuals, states and nations has become an economic necessity. Be sure you make your friendships here at school and in your later life lasting ones.

We of the Union Springs Central School faculty, will long remember and cheerfully recall many of you as our friends.

Sincerely,

RICHARD MOON

CLEAN UP

# ATHING PEAUTY

# OUR JUNIOR PROM

Add an array of colors, the fresh smell of flowers, and the sound of a fine orchestra, and the sum is that of our Junior Prom. Every corner of the gym was decorated to create the effect of an oriental garden in all its beauty and enchantment. Much of this decorating was organized by John Fox, chairman of our Prom decorations.

Diane Dennis and Ronald Cammelli were elected queen and king. They sat upon a throne that typified a temple of the East. The Queen's Court consisted of Patricia Erhardt, Jane Jennings, Mary Katter, Joan Kottla, Sandra McLeod, and Georgene Pickney. Her attendants were Cathy Signor and Tommy Chandler.

As Mount Fuji towered over the room full of dancers, the Prom finally drew to an end.

However, the warm glow of lanterns and the tinkling of chimes will long be remembered and that evening of May 24, 1957.

# AMERICAN FIELD SERVICE

In the summer of '57 Jack Ludwig was sponsored by the American Field Service and Student Council as one of the 750 students to go abroad. He visited Luxembourg and made his home with the family of Jean Reschard. His two European brothers were Jean, seventeen, and Henri, twenty-one.

We were amused to discover that in Luxembourg the girls and boys have separate schools. Also, their school lasts two years longer than ours, so if they should enter college in the United States, they are classed as freshmen. Luxembourg students engage in fewer extracurricular activities than American students, and most of their homework is memorized.

No doubt this has been a wonderful experience for Jack and one that we hope will hold lasting memories for him.

THIRD ROW: Roy Smith, Alec Davis, Jack Ludwick, Harold Crane, Bob Sheldon, Ronald Derring, Charles Cuykendall, Paulette Erhardt, Dale Hallett. Absent—Georgene Pinckney

The Senior Play, "Panic on a Pullman," had rather an unusual setting, as it consisted of three compartments in a Pullman car. Here mingled all types of people including several college students and a couple of teenage youngsters who filled the leading roles in the play. A detective and two convicts completed the mystery setting. Extra comedy was added to the production by the use of walk-ons and a lady conductor.

We would like to thank those who took much of the responsibility. We, the class of 1958, thank you, Mr. Forinham, for all your devoted time and effort.

An elementary school endeavors to enrich skills and the mastery of subject matter, and also to develop personality and proper attitudes in each child.

It was my privilege to have taught one-fourth of the present senior class during my first year of teaching at Union Springs. Now, seven years later, I wish to extend my congratulations and best wishes to each senior.

My good wish for your success in the future.

In the terminology of today's quiz show—you, the Senior Class of '58 have now reached your second plateau. The first one found you finishing Elementary School, the second finishing High School. It is to be hoped that ensuing "plateaus" can be achieved with the same success that you have had before. May continuing achievement and stellar success be with you always.

Congratulations on this—your first giant step into the future.

The Union Springs Central School Band, under the direction of Mr. Klock, had a successful 1957 Summer season. We participated in eight parades marching with four fire departments in our district. We won a trophy and about \$65 in prize money during the season.

We gave a band concert for the September meeting of the P.T.A. at Union Springs and participated in the Christmas program.

At the present time we are working on music for our Cayuga County Music Festival and the State Contest in May. Our band this year numbers 55, the largest Senior Band we have had at Union Springs.

SECOND ROW: John Healy, Fred Delaney, John Coapman, Carol Derring, Theresa McQuay, Susan Powers, Nancy Duckett, Barbara Donovan, Terry Hurlbutt, Neal Webster, Michael Clark, Leith Foster, Mr. Eldred

The Frontenac Island Yorkers were led this year by Mike Moon. Vice President was Ann Newman. Secretary was Barbara Scanlon and Ann Bobbatt was the Treasurer. The annual Almanac was published by a committee led by Barbara Scanlon and Susan Lee. John Coapman was in charge of a group which wrote local history articles as a feature for the Central New York Archeological Bulletin. Oral History from older persons in the community came closer to publication through the efforts of a committee led by Carol Derring. After many delays and changes the Side Committee led by Mike Clark had the local history TV show about ready for production in the Spring. Ann Newman's Social Committee planned the Christmas Party, Andy Jackson Party and the Spring Picnic. The club went sightseeing historically to Fort Ontario, the Corning Glass Works, and Granger Homestead. They also attended the Jumboree at Phoenix and the State Convention at Rochester.

## GEWAUGA YORKER CLUB

FIRST ROW: Richard Evans, Margery Campbell, Ricky Bower, Marion Pesek, Susan Lee. SECOND ROW: Larry Newman, Mr. Eldred, Sylvia Schmoke

Gewauga Yorker Club, made up of students in the 9th and 10th grades, was busy on projects which brought them in contact with other schools. The Junior Department of State Committee had charge of an effort to start other Yorker History Clubs in other schools of our size in the county. Before Christmas the club held an antique show with historical items that members brought from home. The club again established reciprocal relations with other clubs to trade information on the history of different areas. Officers this year were: Margery Campbell, President; Larry Newman, Vice President; Susan Lee, Secretary; Marion Pesek, Treasurer.

FRONT ROW: Hazel Knapp, Joyce Anthony, Charleen Ward, Arlene Bennett, Angela Martino, Geraldine Martino, Sharon Walters, Mrs. Finn, Pauline Grubb

The Future Homemakers of America is a national organization of teen-agers studying homemaking in junior and senior high schools of the United States and territories. F.H.A. helps teen-agers plan and carry out activities relating to the care of the future homes of America.

Any pupil in junior or senior high school who is taking or has taken a home-making course may become a member. There are now 8,876 chapters and approximately 385,750 members. Although started in 1944, F.H.A. acts have already made a hit with young moderns.

Our members have the opportunity of going to spring and fall rallies. The different chapters in one county meet together and discuss different homemaking problems. A speaker of interest to these students is often featured. This year we are especially privileged to be able to send four delegates instead of the usual two to the state convention in Syracuse.

#### Our purposes are

1. To promote a growing appreciation of the joys and satisfactions of homemaking.
2. To emphasize the importance of worthy home membership.
3. To encourage democracy in home and community life.
4. To work for good home and family life for all.
5. To promote international good will.
6. To foster the development of creative leadership in home and community life.
7. To provide wholesome individual and group recreation.
8. To further interest in home economics.

## TRAFFIC COURT

When six hours behind the wheel and thirty hours in classes have been completed in the driver education class, an examination is given. If it is satisfactorily done, a blue card is issued, giving seventeen year olds the right to apply for a senior license

At the end of the twenty week period, a group of six persons is elected from this former class. This group tries minor cases of traffic infringements and recommends penalties. Thus, traffic on the school grounds is observed and taken into consideration

The Student Council at Union Springs this year has held two major money-making projects for our Foreign Student Fund. These were a skating party and a record dance

In May of last year we held our annual presidential election. By the use of petitions, distributed among our student body, Beverly McBride was elected Student Council President for '57-'58. In September of this school year, we completed our slate of officers by electing Roy Smith, vice president; Margery Campbell, secretary; Robb Newman, treasurer; and Sandra McDonald, corresponding secretary.

The Senior Chorus is a group of Senior High School students selected for their ability and interest shown in music and who enjoy singing. We take pride in our organization and worked long and hard to give the fine performance we did at the P.T.A. Christmas program.

A great deal of credit goes to our capable director, Miss Dersham, who spends much time and effort in rehearsing and directing us.

Plans are now being executed in anticipation of the annual Cayuga County festival to be held in Cath. Our next trip will take us to Ithaca where we will compete with other schools for State Honors.

If present plans materialize we will be presenting a concert at U.S.C.S. in the spring. We are looking forward to a successful and most enjoyable year of singing together.

Under the congenial direction of Mr. Earle Klock, the Male Chorus of Union Springs Central School is in its second year. Meeting twice a week this organization gives the male students of our school a chance to stretch their vocal chords and to enjoy the friendly atmosphere of a relaxed group.

The boys have the privilege of selecting the music that they like and the hours of rehearsal are truly enjoyable ones. The desire to sing and to have fun is the only requirement for becoming a member of the male chorus.

Joyce Gans and Lois Wright deserve praise for their work as accompanists.

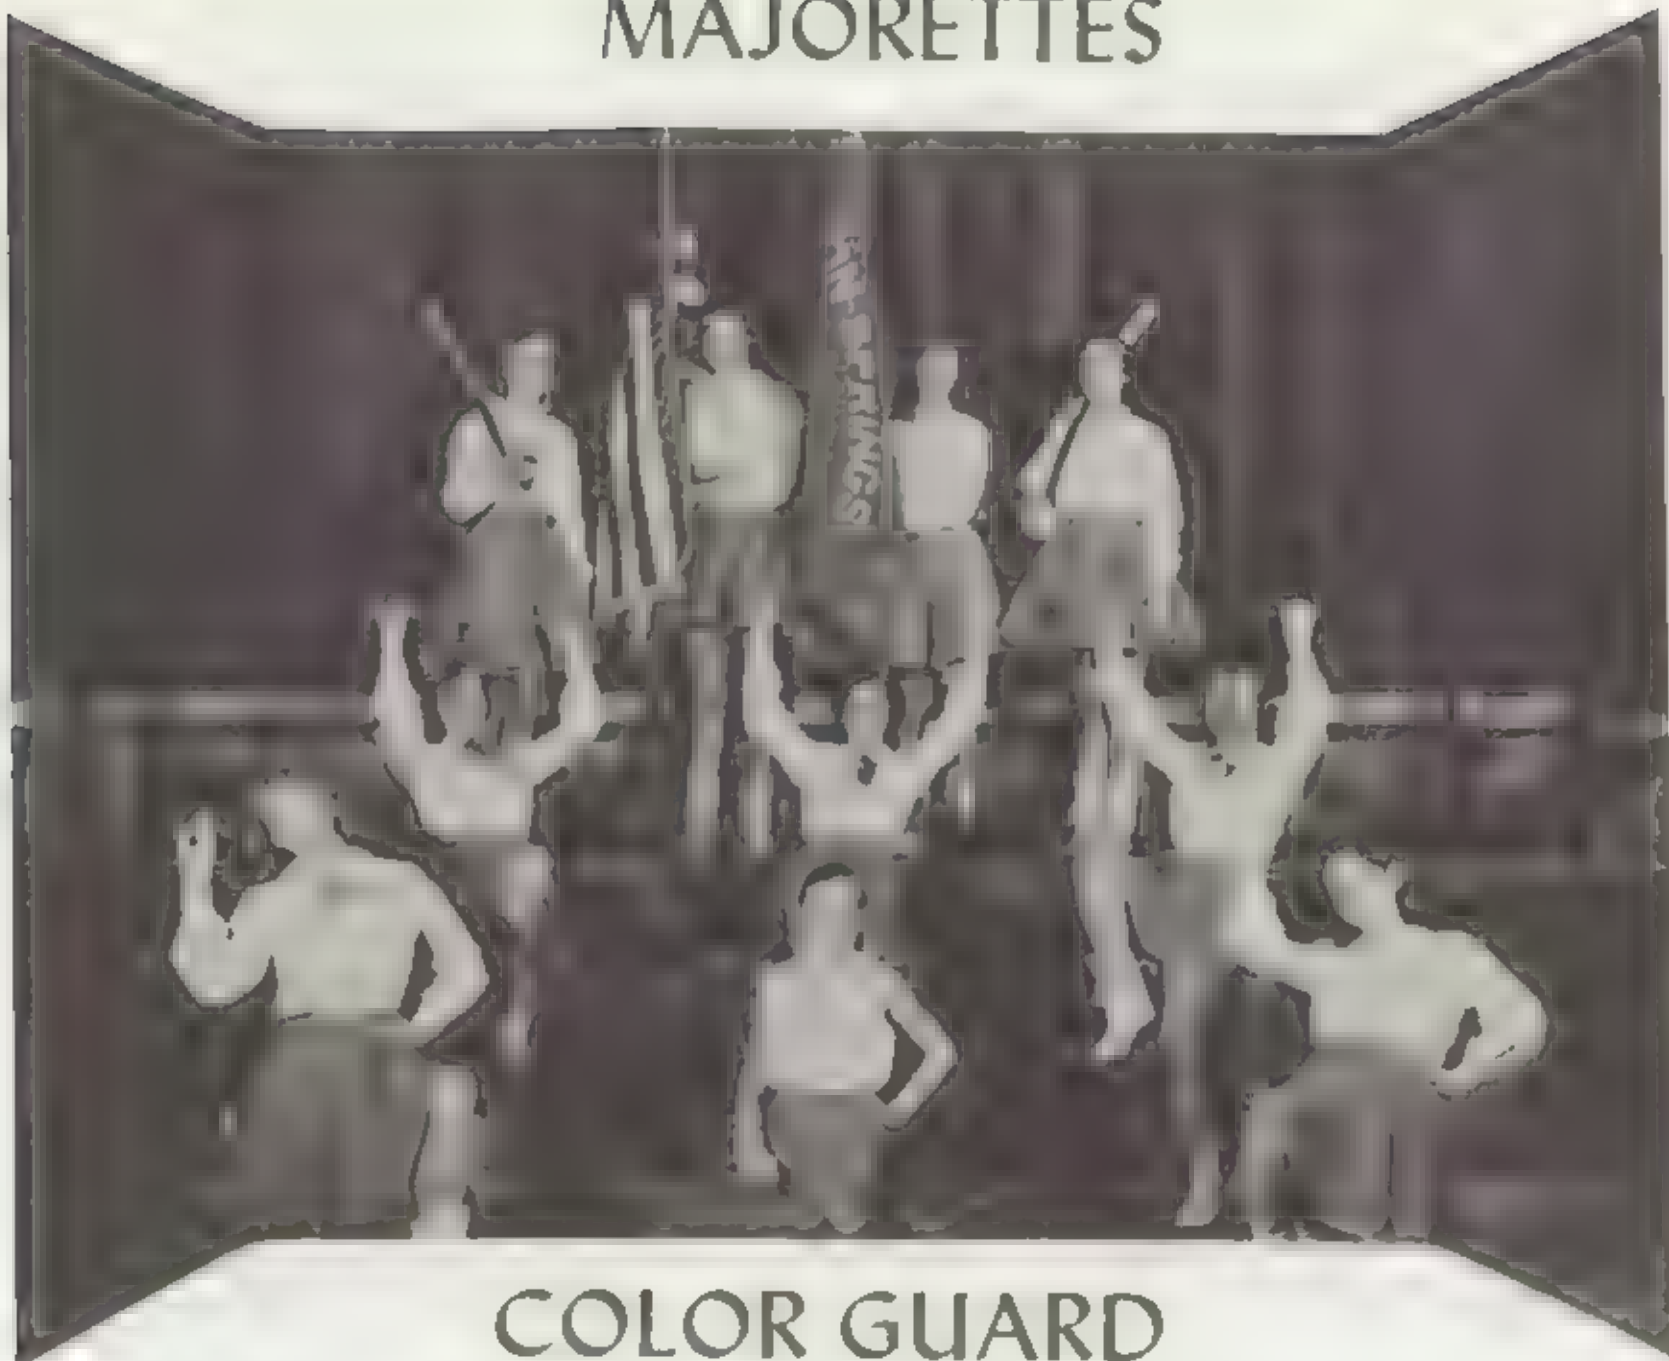

# JUNIOR HIGH CHORUS

FRONT ROW: Laura Patterson, Barbara DeShane, Margaret Mullally, Leith Foster, Linda Hares, Judy Lawrence, Ann Newman, SECOND ROW: Michael Moon, Barbara Donovan, Mary Lee, Judy Platten, Michael Clark, Betty Smith, Miss Dersham, THIRD ROW: Patricia Cooper, Sandra Wilson, Janet Jones, Mary Lavey, Betsy Patterson, Nancy Dickett, Diane Kufhta, Karen Hyland, FOURTH ROW: Theresa McQuay, Claudia Erhardt, Carol Dering, Martha Sproull, William Jetty, Ann Bobbett. At Piano, Barbara Scanlon, and Sandra Lee.

The Junior Chorus represents the highest achievements of our junior high students in the vocal department. Members are chosen for their interest and ability in chord singing.

The annual Parent Teacher's Christmas program was the first in which the group performed. At the moment, the chorus is rehearsing for the Cayuga County Festival.

# MAJORETTES

## COLOR GUARD

FIRST ROW: Judy Tratt, Patricia Copper. SECOND ROW: Cathy Shuttles, Mary Lou Ray, Karen Hyland. THIRD ROW: Georgeanne Pinckney, Beatrice Benham, Sharon Walter, Joan Kuftha

There are approximately eight parades during the summer in which the color guards and majorettes participate. The flag and gun bearers begin the formation, with the "high-stepping" majorettes next.

Baton twirling is taught to children in grades three through twelve. From this group, the majorettes and color guards are chosen. Each girl must have good co-ordination and marching ability. In working toward prize money and trophies, the color guard and majorettes add much pep and color to the band.

# YEARBOOK STAFF

It has been the duty of everyone on the staff to assemble and arrange the material for this yearbook, so that it reaches the publisher and can be presented to you on time. The yearbook staff hopes that it has created a book that you can be both satisfied with and proud of.

Under the guidance of Mr. Chappell we have been educated in the unfamiliar methods of preparing a yearbook for publication. It is an expensive, laborious, and time consuming task, but the result of all this is more than gratifying. This gratification is experienced by the Sports Editor, who reads his stories in print for the very first time, by the Art Editor, who views his designs and drawings on each page, and by the Editor in Chief, who sees the product of her management bound together in a book. This is our reward.

The football team had what we considered a very successful season. It was probably the most even season ever played at U.S.C.S. as the team won two; lost two and tied two games.

Composed mostly of seniors, the team tried very hard and exhibited a great deal of improvement over last year's team. A better record was hampered due to illness and injuries to key players.

The highlight game of the year was a 25-19 loss to the undefeated league winners, Port Byron. In this game Union Springs rose to its greatest heights and played aggressive, tough and unyielding football. U.S.C.S. was finally downed in the closing minutes. It was a hard, tough game and a hard one to lose, but proved beyond a doubt that the team had made great strides over last year in determination and execution of the game of football. Outstanding in the line all year on offense and defense was John Fox. Other teams found it hard to run down the middle with the ever mobile Fox ready to nail their ball carriers before they could get started. Other seniors who contributed greatly to the cause of football this year were Harry Crane, Jerry Jorgensen, Bob Joyce, Roy Smith, Mike Fitzgerald. Dick Dann filled in very well as center and Dick Mahalik was a strong blocker and good field general.

To the juniors we hope they have as much fun as we did and will carry on the winning spirit of the team.

# 1957 CROSS COUNTRY TEAM

FIRST ROW: Jack Worzbyt, Tom Schermerhorn, Ted Jorgensen, Manager Alex Davis, Jack Burnett.  
 SECOND ROW: Nick Moon, Roger Jorgensen, Paul Henderson, Dave Clark, Charles Reif, Dale Hallett.  
 THIRD ROW: Charles Foster, Bud Lawrence, Jeff Ward, Carlton Benham, Bob Smith, Roland Campbell, Jack Ludwick.

The U.S.C. Cross Country Team was a team of some powerful runners. Heading the field was Tim Campbell. Although a senior and participating for the first year as a hill and dale man, Tim was consistently an outstanding athlete. Among the Freshmen was a stellar runner, Jack Burnett. Jack took first place at a special freshman meet and received the C.C. Frosh Trophy as best frosh runner. The year's activities included a Freshman meet which the boys won, and two practice meets in which the boys did well. The original schedule was not followed because of the Flu outbreak. However no mention of the Cross Country team could be made without naming Roland Campbell. Roland contributed greatly to an excellent team by his leadership, sportsmanship and citizenship. This can readily be testified to by the following scoreboard of winners of the annual Cross Country Trophy, which was again awarded to Roland this year.

1955	Robert Smith

1957	Roland Campbell

FIRST ROW: Mr. McBride, Roger Walters, Charles Mintum. SECOND ROW: David Mayers, Nick Moon, Ralph Mintum, John Rindfleisch, Bob Downing, Bob Lytle, Larry Newman

## WRESTLING

The 1957-58 Wrestling Squad was a little larger than last year's squad. Mr. McBride coached the squad. Larry Newman and John Rindfleisch managed for their first and third years respectively. The squad went to Windsor for the Christmas Vacation Tournament and had three practice matches with Auburn during the season. On March 1st the squad went to Greene for the Class B Wrestling Sectionals.

The squad members are Captain George Mintum, Ralph Mintum, Roger Walters, Bob Lytle, Bob Downing, Dick Verbeek, John Stamp, Joe Lavey, Nick Moon, Larry Newman, Bruce Simmons, and John Rindfleisch.

According to "Collier's Magazine," wrestling is well on the way to becoming high school's number one sport. We hope that more of the school's seventy some eligible boys will join the Wrestling Squad for its seventh season next year. Next year, boys, let's support the Wrestling Squad.

## 1957-1958

This year the Union Springs Varsity Basketball team had a very successful season. For the second year in a row it won the Cayuga County League Championship by posting a 12-0 record in league play. In addition to this the team, for the second time in three years also won the County playoffs by defeating Weedsport in the semi-final and Savannah in the final. Overall the team had a record of 16 wins and 3 losses.

The team was composed mostly of Seniors with Roland Campbell, Jerry Jorgensen, Roy Smith, Harold Crane and Dick Mahanik bearing the brunt of the attack. Mike Fitzgerald showed up very well in the playoffs and pulled the team out twice when points were needed. Roland Campbell, who earned the distinction of being on the County All Star Team, was high scorer for the season with 241 points while Roy Smith was second with 191 points. It was a well balanced aggressive team that exhibited plenty of team play and spirit.

The team went on to the Section IV Tournament at Cortland and was defeated in the quarter finals by Marathon Central School by a score of 50 to 46.

For the season this fine senior aggregation scored 1,058 points to a total of 777 for their opponents. On offense they averaged 55.67 points per game and allowed their opponents 40.81 points per game.

It is hoped that the teams in the future will try to duplicate this fine record as well as the fine spirit, sportsmanship and team play exhibited by this fine predominantly senior aggregation.

# JUNIOR VARSITY BASKETBALL

The JV's started out poorly by winning only one of the first six games. The main trouble was mostly a lack of scrap and hustle. All of a sudden they perked up at mid-year and began to get a little fight in them. From then on it was a different story. They came on fast and won five of the last six games to end with a 6-6 league record and just miss the playoffs by one half game. Captain Bill Jones was the most consistent scorer and did a fine job of ball handling. Bill Ryan came along to spark the team with his hustle rebounding and scoring. Tim Quinn, Jack Burnett, Carl Pethybridge, and Jeff Ward came along fast at the end and turned in good rebounding and defensive play games. Robb Newman and Roger Jorgensen, though they didn't score much, helped the team with their fine ball handling and hustling defensive play.

All things accounted for, they showed some good potential for future years when the cubs become the Varsity Wolverines.

FRONT ROW: Donald Lowery, Leslie Granger, Mike Moon, Gary Sweeney. SECOND ROW: John Coapman, James Maleski, Ron Mahalik, John Healy. THIRD ROW: Donald Wright, William McCloud, Bill Speed, Jack Pierce, Ted O'Hara. Mr. Clifford. ABSENT FROM PICTURE: Fred Gardner, Richard Salato.

## J.J.V. BASKETBALL

This year's team ended the season with a 4-2 record (Moravia game cancelled snow conditions). The seventh grade placed three starters on the first team and other seventh graders showed very great improvement before the season finished.

Players were: Eighth grade—Dick Salato, Bruce Bowman, Marty D'Agostino, Jim Maleski, John Coapman, Bill McCloud, Tony Drury, Mike Moon, Ted Jorgensen. Seventh grade—Jim Pierce, Ted O'Hara, Jack Pierce, Ron Mahalik, Jim Healy, Don Lowery, Fred Gardner, Gary Sweeney.

## 1957 TRACK TEAM

Probably one of the greatest memories a high school boy can have is being a member of a team like the 1957 Track Team. In 1957 the team made a perfect score in the county league. Sparked by such men as Jerry Jorgensen and Dick Moon, who often had perfect scores, the team had a successful season. Paled by such men as John Fox, Mike Fitzgerald, Duane Babbitt, Marty Jones, Dave Stryker, and others, the team rolled on to the county meet and won fifteen ribbons. Outstanding freshmen on the team were Fred Gentile and Roger Walters.

At awards day Captain Ken Rouse presented the county trophy to the school and the team was further honored when Jerry Jorgensen, assistant captain, was selected as a league all-star.

The U.S.C.S. Track Team members will deserve the title of "star." This is their goal, representing the ultimate in sportsmanship, effort, and achievement. The team now holds two sectional records, five county records, and many individual awards.

With the close of one season and the advent of another at hand, the team looks forward to stellar victory and success.

Leaders in scoring were:

Duane Babbitt	47.25	Marty Jones	22.5
Dick Moon	45.5	Mike Fitzgerald	22
Jerry Jorgensen	44	Ken Rouse	19.25
John Fox	27	Paul Stryker	19

Points are given on the basis of 5 points for first place  
3 points for second place  
1 point for third place

FIRST ROW: Doug Marsh, Don Chisamore, Bob Burnett, Harold Verbeck, Bill Jones, Joe Mulvey, Robb Newman, Jim Eaton, Richard Scott. SECOND ROW: Jim Stebbins, Roy Smith, Bob Joyce, Harry Crane, Roland Campbell, Dick Talbot, Dick Mahalik, Dick Dann, Coach Mulligan

# 1957 BASEBALL TEAM

The Union Springs High School Baseball team experienced one of its best seasons in many years. The team finished with a tremendous 8-1 record which was good enough to end up in second place in the league.

The team was composed of just Juniors, Seniors, and Freshmen. Leading the team was the stellar pitching of Roland Campbell. Roy Smith and Harry Crane along with the booming bats of Campbell, Crane, Smith, Don Chisamore, Dick Mahalik and Dick Talbot. Due credit must be given Bob Joyce, a reliable catcher, Jim Eaton, a capable outfielder, and Dick Talbot who filled in at many positions.

The highlight of the season was the championship game with the powerful Port Byron Nine U.S. down by one run in the last inning started a desperate rally. With two men on base and two men out, Jim Eaton hit a tremendous blast towards the distant left field fence, but through the great efforts of a Port Byron catcher, the sure hit was turned into just another out, losing out U.S.C.S.'s chance for the County Championship. Although the team lost 3 to 2, the boys fought hard and were commended by Mr. Smith who gave the team a well deserved trophy.

In addition to our great year, U.S.C.S. was well represented in the All Star game at Cooperstown. Roland Campbell, a great all round athlete, carried the colors for old U.S. Roland did a tremendous job and showed his versatility as he pitched, played left field and shortstop. He achieved the ultimate in success at the plate as he hit a home run far over the 315 foot sign in left field. It was the first home run Mr. Mulligan had ever seen a high school student hit at Cooperstown.

# VARSITY CHEERLEADERS

LEFT TO RIGHT: Marilyn Kahler, Claudia Jorgensen, Paulette Earhardt, Georgene Pinckney, Judy Osborne, Ann Tanner, Glenda Davis, Maxine Jorgensen

In the fall the girls who wanted to try out for cheerleading came down to practice any activity period they had free. Just before we had the final tryouts we elected the teachers whom we wanted for judges they were Mrs. O'Connor, Mr. McQuinn, Mr. Tanner, Miss Russell and Mr. Devereaux. The following girls were chosen to cheer for the fellows: Maxine Jorgensen, Glenda Davis, Beverly McBride, Georgene Pinckney, Paulette Earhardt, Marilyn Kahler and Claudia Jorgensen. Ann Tanner was chosen as an alternate because of the close competition. **This was all done by a point system.**

The girls attended the cheerleading banquet at the Auburn Inn where they discussed the rules and regulations of cheering.

The girls wore gray slacks and white sweaters during football season and for the basketball season they got new princess style uniforms.

They have worked on the familiar cheers to master them, and have tried a few new ones they made up themselves.

Marilyn Kahler and Claudia Jorgensen went to the Cheerleading Clinic in Syracuse where they saw Lawrence Herkimer a professional cheerleader from Texas. At this clinic he showed the girls the effectiveness of cheering.

FIRST ROW: Marilyn Scotfield, Elaine Dehnert. SECOND ROW: Susie Lee, Beatrice Benham, Sylvia Smoke, Mary Lou Roy, Ena Carmody. THIRD ROW: Wilma Black, Cathy Shuttles.

#### JUNIOR VARSITY CHEERLEADERS

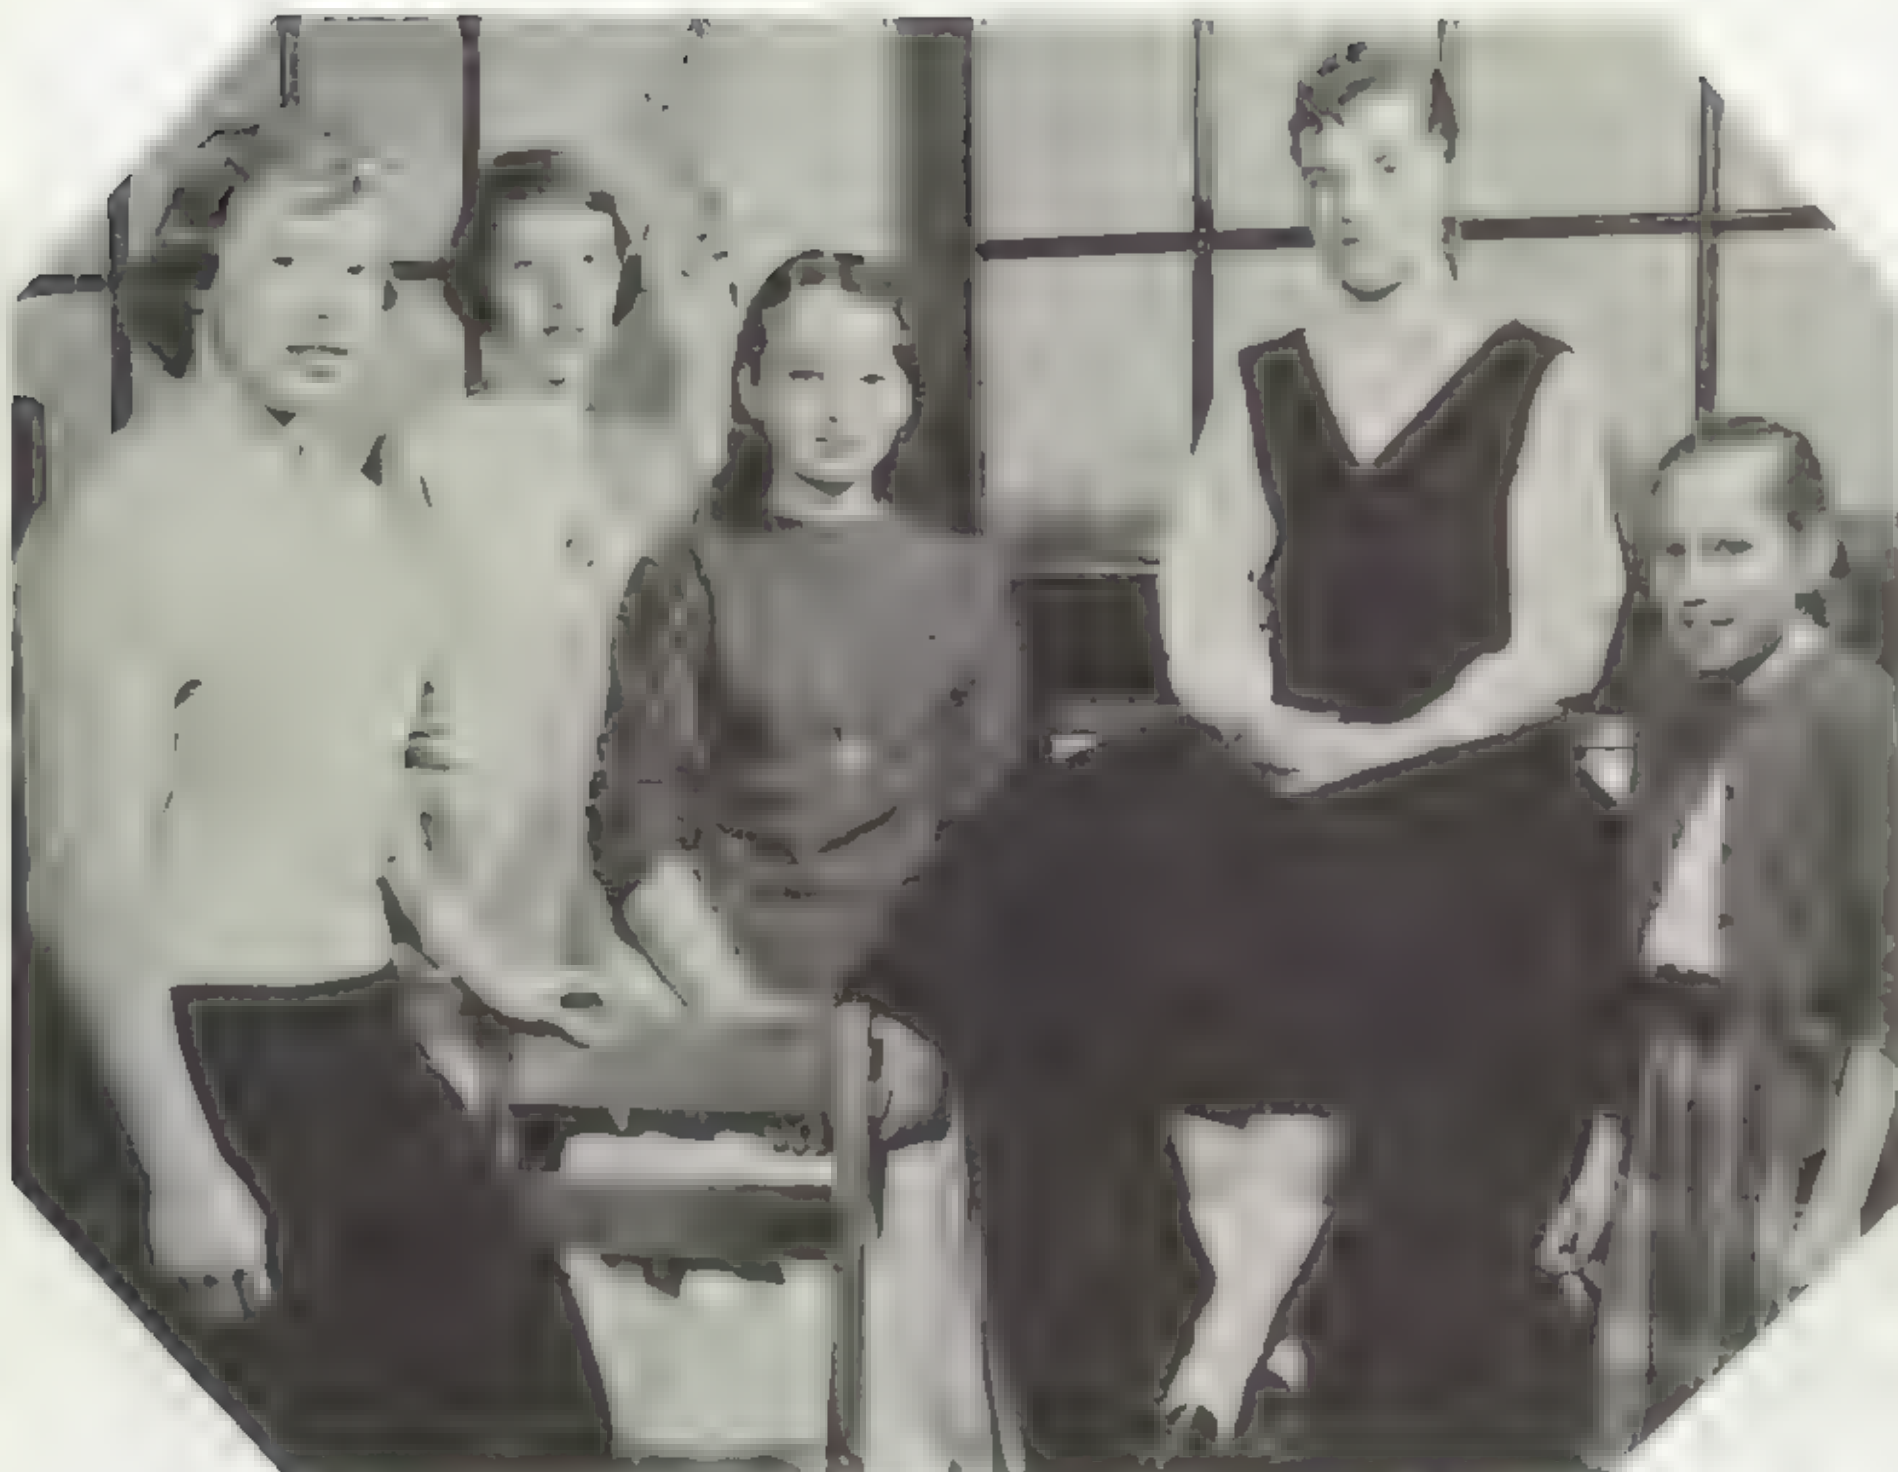

In the fall these girls were chosen the same as the Varsity Cheerleaders, with the same judges and point system to follow.

During football season, they wore slacks and sweatshirts. For basketball they also had new uniforms, which were made up of a short full purple skirt and veskit, with a long sleeved white blouse.

The following girls were chosen as cheerleaders: Ena Carmody, Wilma Black, Sylvia Smoke, Mary Lou Roy, Beatrice Benham, Marilyn Scotfield, and Cathy Shuttles. Susie Lee was chosen as an alternate. The alternate is to take the place of anyone that is ineligible to complete the season because of marks.

They all went to the cheerleading banquet at the Auburn Inn. Marilyn Scotfield and Cathy Shuttles attended the clinic in Syracuse, also.

Most of the cheerleaders are new and they have made tremendous progress

## G.A.A. OFFICERS

LEFT TO RIGHT: Glenda Davis, Maxine Jorgensen, Patricia Cooper, Georgene Pinckney, Judith Trett

The purpose of the girl's athletic association is to give every girl an equal opportunity to participate in a variety of recreational activities regardless of her ability.

# ALL-STAR GIRLS' HOCKEY

FRONT ROW: Janet Terpening, Marilyn Kahler, Nancy Tanner, Cathy Shuttles, Sylvia Schmoke, Marion Pesok. THIRD ROW: Margery Campbell, Geraldine Martino, Jane Jennings, Judy Osborne, Joyce Gans, Susan Lee, Beulah Pethybridge.

## ALL-STAR HOCKEY

School opened! A few weeks later the girls began to limber up their muscles and prepare for the coming season.

After several weeks of scrimmage and learning the techniques of driving, dribbling, and unquing, Coach O'Connor announced the names of those who had made the team.

Even when the winter came too early, the girls were seen out on the field playing their final game.

"Short Corner," "Dribble down the field," "Into the Cage"—and so go the all-star hockey girls—onward to victory!

# ALL-STAR GIRLS' BASKETBALL

SECOND ROW	Genda Davis	Ann Tanner	Susan von	Maxine Jorgensen	Judy Ludwig	THIRD
ROW	Wendy Jennings	Joyce Gans	Janet Quinn	Judy Osborne	Beatrice Benham	

Again this year a girls all-star basketball team was organized. Mrs. O'Connor selected those girls from ninth through twelfth grades whom she believed showed the ability, coordination, and interest to become a member of such a team. All the girls worked hard together enabling them to increase their athletic ability and gain better sportsmanship.

On January thirty-first the girls played the faculty and with much competition came out on top with a 25-23 victory. Other than playing between themselves, this was the only game that the girls played. The girls each earned five points toward their athletic awards for their work on the all-star team.

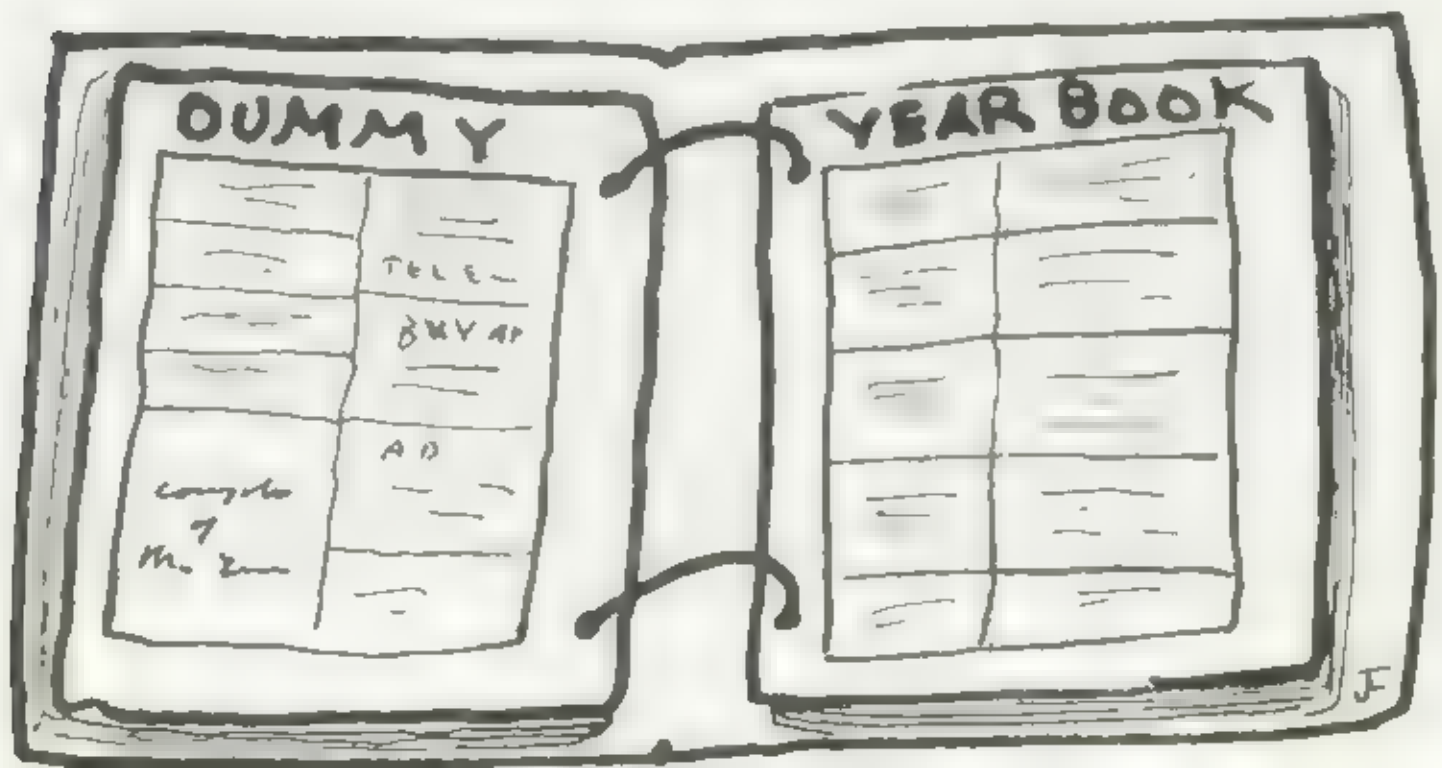

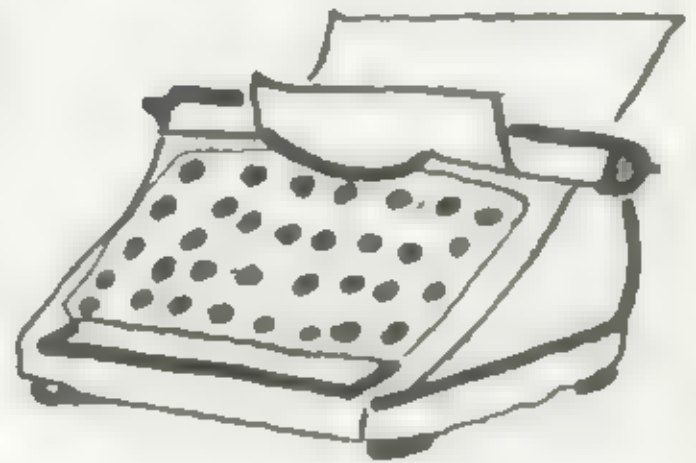

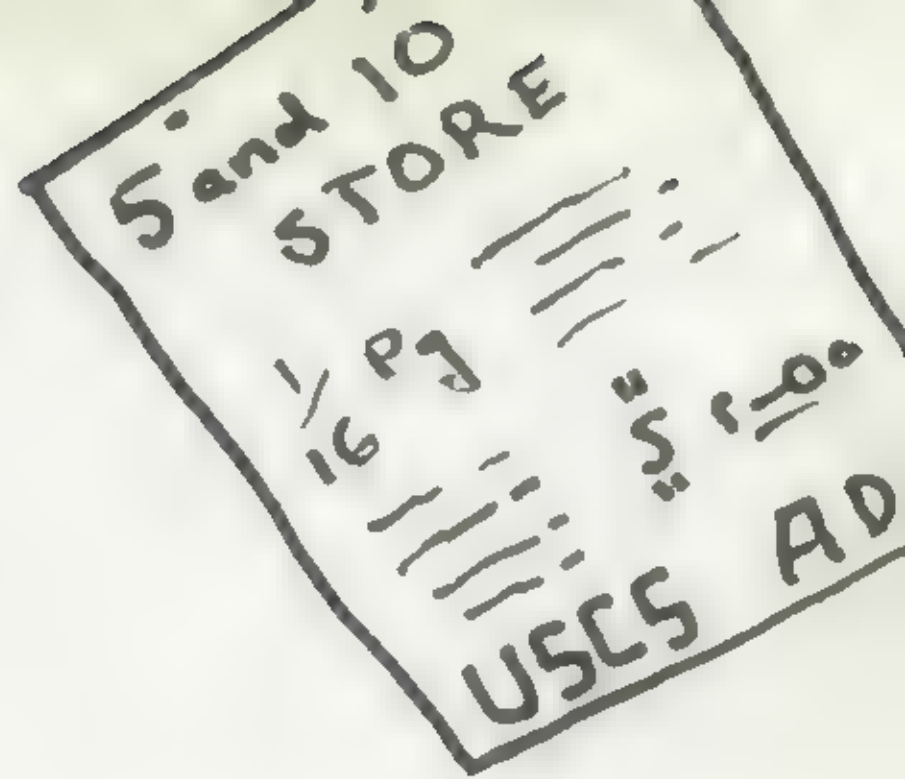

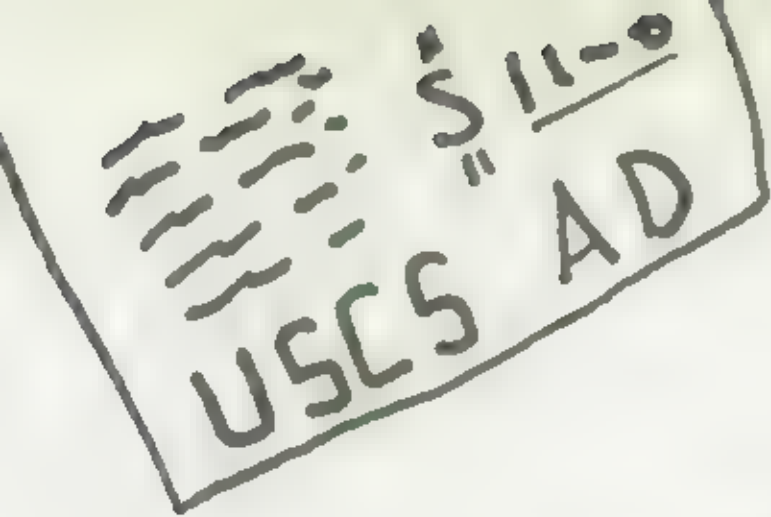

# ALL-STAR VOLLEYBALL

FIRST ROW. Susan Lee, Judy Ludwick, Glenda Davis, Claudia Jorgensen, Beverly McBride. SECOND ROW Judy Osborne, Janet Quinn, Joyce Gans, Maxine Jorgensen, Mrs. O'Connor.

Because it was so early in the season a volleyball all-star team had not yet been chosen. The girls pictured above were selected to represent the school in a play day at Merava, March twenty second. At this playday a new system of play was tried. Instead of school teams competing against each other, color teams were selected with girls of different schools playing together. The winning color team played against the Women Physical Education Teachers to climax the end of the County Playday.

### **CHILDREN LOVE GOLDEN GUERNSEY**

Children who ordinarily refuse milk soon get the GOLDEN GUERNSEY habit. Mothers find their worries and troubles are over with GOLDEN GUERNSEY. Children prefer it to other foods and its completeness of food value makes it unnecessary to urge children to eat foods for which they do not care. Scientists tell us that taste buds on the tongue grow less active as age progresses, perhaps these youngsters can make a choice for themselves so long as they have plenty of milk. Two thirds of a glass of GOLDEN GUERNSEY gives as much nourishment as nearly a full glass of other milk. The appetizing habit forming flavor of GOLDEN GUERNSEY may be due to the extra milk sugar of the increased butterfat. Protein, minerals and vitamins give it a "fuller bodied" flavor.
